FOR IMMEDIATE RELEASE

ALDERSHOT REPRICES WARRANTS

November 23, 2009

TSX.V Symbol: ALZ

Aldershot Resources Ltd. wishes to clarify to its warrant holders that the letter sent should have stated that the Company was requesting their approval to reduce the exercise price of the said 18,518,519 warrants from \$0.42 to \$0.10 per share for the remaining term of the warrants, subject to an accelerated exercise period, and regulatory approval. In accordance with TSX Venture Exchange policy, the expiry date of the warrants will be accelerated to shorten the exercise period to a period of 30 days if, for 10 consecutive trading days, the closing price of the Company's common shares exceeded the revised exercise price of \$0.10. The 30-day exercise period will commence seven calendar days after the 10th premium trading day. In the event that the expiry date is not accelerated, the warrants will expire on April 26, 2011. Under TSX Venture Exchange regulations, broker warrants are not eligible for amendment.

The Company is awaiting receipts of the signed consents from the warrant holders. Please contact Jeremy Caddy, the Company's President if you have any questions.
